**HUTCHINSON COUNTY 4-H
FLOWER FUNDRAISER**

Get ready! Our 4-H Flower Fundraiser is in full bloom!

This fundraiser is one of the biggest reasons our 4-H members get to explore amazing opportunities throughout the year, and we need everyone's participation to make it a success. Order forms must be turned into the Extension Office by March 25, so don't wait to start selling! Beautiful flower orders are expected to arrive on April 29, just in time for spring. Let's work together and make this our best fundraiser yet!

We're excited to announce that the top seller (3rd-12th) in the 4-H Flower Fundraiser will earn a custom-designed buckle! The winner will have the unique opportunity to create their own buckle design, making it a one-of-a-kind award celebrating their hard work and leadership. The top seller in Clover Kids will be awarded with a trophy and gift certificate!

Flower order forms can be picked up at Extension Office in Stinnett or at your next program's practice at 630 E 10th in Borger

ATTENTION

Parents are responsible for getting students to competitions, as transportation is not provided by coaches or Extension office staff. Since these are team events, groups typically compete with matching outfits or themes, and parents are also responsible for coordinating these within their student's team. Attendance is extremely important because every team member plays a role, and missing practices can affect the entire group. If you are unable to attend a meeting, please notify your coach as soon as possible so they can plan accordingly and arrange a make-up practice if needed.

RSVP

Dear 4-H families,

We want to bring your attention to something that involves your participation.

With as many projects, practices, and meetings that we have,

it is super important that you RSVP your attendance to scheduled events on the

Band App. Whether “yes” or “no”, our office staff and unpaid volunteers would

greatly benefit from these responses. We understand it is a very busy time of

year for everyone. We do our best to accommodate and adjust schedules for our

4-H members. Many of our programs are team based. Your child’s attendance

effects not only the hours put in by staff and volunteers, but their teammates as

well. Please remember to RSVP to any and all upcoming events that require your

attention.

Thank you all!
