County Roundup

KAUFMAN COUNTY 4-H COUNTY ROUNDUP

[State 4H RoundUP](#)

Below you will find guidelines.

Age. Age divisions are determined by a participant's grade as of September 1 of the current 4-H year. There are limitations or recommendations for juniors and intermediates as it relates to equipment and visual aids. Outlined below are the age-division specific rules for educational presentations:

Junior Grades 3, 4, 5 – No computer aided/projected presentation equipment allowed. Posters and an easel are a suitable and recommended alternative. Props and other visual aids are allowed.

Intermediate Grades 6, 7, 8 – Computer aided presentation equipment is allowed, but posters are highly recommended and encouraged. Props and other visual aids are allowed.

Senior Grades 9, 10, 11, 12 – Any type of presentation equipment, props, and visual aids are allowed (if also allowed by state rules).

Entries per county. Each county may enter an unlimited number of teams/individuals per age division listed above.

Participants are required to bring 100% of their own equipment (props, posters, easels, personal computer, visual aids, extension cords, etc.), with the exception of a screen and table, which will be available in each presentation room.

FYI to Senior Contestants that advance on to Texas 4-H Roundup.....All presentations must be in some form of Microsoft Office (PowerPoint, Word, or Excel). All fonts used must be true type. These fonts specifically include Arial and Times New Roman (See Texas 4-H Roundup Rules & Guidelines for more information).

Contest officials for district will not have any equipment such as computers, projectors, or video adapters available. It is the contestant's sole responsibility to secure and bring all necessary equipment, and to know how

to operate and troubleshoot it. So we will be using county to work all kinks out for equipment, etc.

Educational Presentations

An educational presentation is a fun way to share information with others about your 4-H project. You can give an educational presentation by yourself or with one (1) of your 4-H friends. The Educational Presentation competitions may take place

at county, district and the state level (for senior 4-H members). All presentations should address current issues related to the topic category

A 4-H educational presentation is a demonstration of your knowledge and skills in a certain project area. This presentation is done in a way that is most comfortable to you. It can be accomplished using props (method demonstration), posters or media presentations (illustrated talk), or it can be you just speaking and convincing, or simply educating, with words alone (public speaking).

Theater & Performance Arts

In [theater and performance arts](#), 4-H members may participate in skits through acting, or showcase other talents such as vocal performance, play an instrument, dance, read poetry, conduct puppetry...and more! The best part of the program is the chance to have FUN and getting to share that excitement with others!

Through theater and performance arts, 4-H members will develop a spirit of cooperation, develop self-confidence through public performance, discover and develop their talents, and grow socially, culturally, and develop their leadership skills. But most importantly, theater and performance arts is about HAVING FUN!

New guidelines are released each year. Entries can include up to nine 4-H members and performances must be no longer than six minutes. There are opportunities to participate at the county, district, and state (State: Senior 4-H members only) levels.
