- [American Dairy Goat Association](#)
- [American Meat Goat Association](#)
- [Cattle Breed](#)  
A great study guide on the different breeds of cattle.
- [Fitting Beef Cattle](#)  
Helpful hints on fitting and grooming your heifers and steers.
- [National Cattlemen's Beef Association](#)
- [National Pork Board](#)
- [National Pork Producers Council](#)  
The resources offer pork producers, public policy leaders, the general public, and media access to facts, industry news, and other information. The National Pork Producers Council (NPPC) is pleased to highlight some of the pork industry-related websites f
- [OSU-Goats Breeds](#)
- [Sheep Breeds](#)  
A list (with pictures) of the sheep breeds. If you are studying for the San Antonio Sheep Skill-a-thon, this is a great website to visit.
- [Swine Breeds](#)  
Developed by OSU, this site gives you insight to every breed of swine and their history.
- [Youth Pork Quality Assurance Program](#)  
The Youth Pork Quality Assurance program was launched on Feb. 1, 2004. This new certification program will allow youth ages 9-18 to participate in a nationwide program that emphasizes producing safe, wholesome and nutritious pork for consumers.
