More Opportunities- 20

We're excited to kick off a brand-new 4-H year filled with opportunities to grow, lead, and make a difference! As we get started, don't miss the upcoming 4-H Promoting Committee Meeting on September 22nd, followed shortly by the Food and Nutrition Committee Meeting—both great chances to get involved and hear some exciting new updates we can't wait to share. Be sure to join us for the Kleberg and Kenedy County 4-H Proclamation—it's going to be a great event and a meaningful way to celebrate our 4-H community. Also, don't forget that One Day 4-H is right around the corner! This year's service project will take place at the Kingsville Community Teaching Garden, where we'll be working alongside the Master Gardeners to help bring this incredible space to life. It's a fantastic opportunity to learn, serve, and connect with others. For more information, be sure to check out page 13. Let's make this 4-H year one to remember—full of teamwork, leadership, and plenty of fun along the way!

Sincerely,

Phyllishia Lopez
