The Nueces County 4-H Fashion Show is getting a fresh update this year! While we will continue to feature the traditional four Buying Categories and four Construction categories, we are excited to introduce two new additions: Promote Texas Fibers and Upcycle Your Style.

OVERVIEW.

The 4-H Fashion Show is an opportunity for youth to display the skills and knowledge they have gained through participation in the Fashion and Interior Design project. This project encourages creativity, personal expression, and practical life skills related to clothing and fashion. Participants explore a wide range of topics, including:

- Fibers and fabrics
- Wardrobe planning and selection
- Clothing construction and sewing techniques
- Sustainable fashion and upcycling
- Comparison shopping and smart consumer choices
- Fashion interpretation and understanding of personal style
- Grooming, poise, and professional presentation

Through the 4-H Fashion Show, members demonstrate their ability to apply these skills in real-world contexts by building confidence, displaying individuality, and preparing for future success in both personal and professional settings.

FASHION SHOW EVENT INFORMATION.

The 4-H Fashion Show is an optional activity open to all 4-H members who have completed a clothing project in the Nueces County 4-H program. The requirements given below apply to all 4-H members who plan to participate in this contest. Failure to comply with the requirements will result in disqualification or penalty deductions from the final score.

1. Member Classifications. This event is open to all active Nueces County 4-H members. All grades as of August 31, 2025.
 - Clover Kids - Grades Kindergarten, 1, and 2
 - Junior – Grades 3, 4, and 5
 - Intermediate – Grades 6, 7, and 8
 - Senior – Grades 9, 10, 11, and 12
2. The NC4H Fashion Show will be held on **Tuesday, March 3, 2026**, at Ballroom A, Richard M. Borchard Regional Fairgrounds, 1213 Terry Shamsie Boulevard, Robstown, Texas 78380.
3. All contestants must be enrolled in 4-H and actively participate as a 4-H member. The 4-H member must also actively participate in the 4-H Fashion & Interior Design project during the 2025 - 2026 4-H year. All garments to be judged must have been purchased (renting a garment is not allowed in the buying division) or constructed during participation in a 4-H clothing project between June 2025 and the Nueces County 4-H Fashion Show.
4. If you have a question concerning your entry's category, please consult the County Extension Agent on your pattern selection or buying ensemble to ensure entry in the correct garment category prior to the entry deadline. The appropriate garment category should be determined by the style, fabric, and use of the garment.
5. The Fashion Show has two divisions, BUYING and CONSTRUCTION. There are four garment categories in each division. A 4-H member must choose a garment category at the county level and compete in that category at all levels. The appropriate garment category should be determined by the style, fabric, and common/ordinary use of the garment.
6. Participants may enter only one Fashion Show category in only one division. A 4-H member must choose a division at the county level and compete in that division at all levels. The 4-H member is not allowed to change divisions between county and district, or between district and state competition. 4-H members may complete on only one Fashion Show category.
 - The exception is for the Promote Texas Fibers (previously Natural Fibers contest), which is now a fashion show SENIORS ONLY category. The senior participant must use the same outfit entered in the Buying or Construction Division.
7. The entry worn at the county contest must be the entry worn at the district contest. Accessories, such as shoes, jewelry, gloves, hats, and scarves may be changed between contests up until the time the Division Worksheet has been submitted for the district event.
8. All garments entered must be worn during judging. No additional garments may be carried. Garments worn must make a complete ensemble and must ordinarily be worn together. Only garments and accessories worn during judging can be worn during the public show. No additional garments may be carried except for props, i.e., show stick, tennis racket, golf club, corsage, teddy bear, etc.

9. All required entry materials must be in the Nueces County 4-H Office by **5:00 p.m., Monday, February 16, 2026**. Emailed or faxed entries will be accepted, but the original entries must be turned in prior to judging.
10. All contestants must be present to model their garments for the judging at the Fashion Show. If a conflict arises regarding this, approval must be received from the committee before the event.
11. District 11 4-H Fashion Show. Each county may send three entries per category per division to the district event to be held at the Victoria College Emerging Technology Complex, 7403 Lone Tree Road, Victoria, Texas, on May 6 and 7, 2026. Only first-place seniors at the district level will advance to the State.
12. Garment Categories for Buying and Construction Divisions. It is the responsibility of the 4-H member and parent that a garment is entered into the appropriate category. Participants should consult with their County Extension agent and project leader when selecting the appropriate category for a garment. The appropriate garment category should be determined by the style, fabric, and use of the garment.

 - b. Comparison shopping may include department stores, boutiques, specialty stores, mail order catalogs, outlet stores, and professional sewers. Three different resources must be used, not three different sections of a single store.
 - c. During comparison shopping, if it is determined that paying a professional sewer (at normal retail cost) to construct an ensemble is the best choice for purchasing a garment, list the cost of fabrics, patterns, notions, any other supplies, and payment to the sewer as the cost of the garment.
 - d. All contestants must shop for and record three comparisons. The entry form must be complete. Information from the entry form will be used by the judges during the judging procedure. The judges will ask questions about the garments and the comparison-shopping experience.

"It is the 4th of July for Mary Jane Smith every time she wears this patriotic suit. And she has a right to celebrate! The jaunty jacket sports shiny star buttons on the roaring red wool. And what a great idea! The scraps from the jacket turn into patch pockets on the military blue dress. Mary Jane has six years of 4-H sewing but always finds a new challenge. She made this suit during a thunderstorm, finishing just before the electricity went off. Can you imagine how great the outfit will be at UCLA, where Mary Jane will be a freshman this fall?"
 - e. Declaration of Eligibility Form. Must be completed by a school administrator along with parent/guardian signature.
