Rover the Clover is Missing

Somewhere out there, hidden among the newsletter lies the elusive 4-H clover. We know it exists. We've seen it. Our quest to find it has involved magnifying glasses, a metal detector (for morale), and one very confused goat named Steve. So far, we've discovered three green paperclips and someone's lost Showmanship ribbon from 2009. If YOU spot the 4-H clover in the newsletter, please report it to HQ (CEO) immediately—we're offering a reward of eternal bragging rights and... a prize.

HELP! Find me!

Happy clover hunting, brave souls!
1st person to come to CEO and show us the clover gets the prize. WATCH FACEBOOK FOR UPDATES ON THE WINNER!

Reminders

- Large Room will be remodeled - Watch for updates!
- **Until further notice all meetings will need to be scheduled elsewhere. (Small room is available)**

ATTENTION

**Must register for
all District and
State Contests
on 4-H Online**

2025-2026 Record Book Changes

There have been many important changes made to this year's Record Book. Those changes have been highlighted on the Texas 4-H website. Please review and let Kayla know if you have any questions! Link: Record Book Guidelines

VET SCIENCE PROJECT

Youth Ages 8-13

Location: **Randall County** Extension Office
| 200 N. Brown Rd., Canyon, TX

Project meetings build the skills needed for the advanced veterinary science track and the certification program. Explore topics like terminology, medical math, and animal identification—while enjoying engaging, hands-on vet science activities that make learning fun and practical!

2/12 : 6-7 PM

4/16 : 6-7 PM

1/15 : 6-7 PM

Youth Ages 14+

Location: **Potter County** Extension Office |
3301 SE 10th Ave, Amarillo, TX

This intensive program provides the training and experience needed to receive a veterinary assistant certification. Students who finish the program are eligible to take the industry-based certification exam from Texas A&M AgriLife Extension Veterinary Science Certificate Program. If you are interested in getting a degree in veterinary science, this program is a great start.
