

# **LIVESTOCK GRAZING WORKSHOP**

Take a deeper look at grazing management, forage selection, and how they directly impact livestock health and performance, along with a visual demonstration of how proper grazing improves water infiltration and overall pasture health.

**MARCH 26**

4:30 p.m. – 6:00 p.m.

Blanco County Fair &  
Rodeo Exhibit Hall  
619 US 281 Johnson City
