Fall Plant Sale

September 26, 2026

Habit	Common Name	*Scientific Name*	Light	Height	Flower Color	Bees	Birds	Butterflies	Deer Resist	Hosts	Hummingbirds	Native	Description
Edible	Big Daddy Blackberry	*Rubus BD*	Sun	4-5 feet tall 4-5 ft wide	White								Drought and pest tolerant. Self-pollinating and thornless. Large blackberries. Well-drained moist, nutrient rich soil. Water well when planting and 2-3 times a week first three months. Apply 3" of mulch. Fertilize in spring. Prune dead or crossing branches after harvest.
Edible	Chili Pequin	*Capiscum*	Sun Part shade	2 ft tall	White		X		x			X	Native chili pepper. Well-drained soil. Evergreen in mild winters. Loses leaves in colder years. Will reseed readily. Ornamental when covered with tiny red peppers. Will be a perennial if protected from frost—plant in container and move inside for winter.
Edibles	Blackberry Natchez	*Rubus N*	Sun	4-6 ft tall & wide	White								Self-pollinating, thornless, semi-erect shrub. Early season. Disease resistant. Well-drained moist, nutrient rich soil. Water well when planting and 2-3 times a week first three months. Apply 3" of mulch. Fertilize in spring. Prune dead or crossing branches after harvest.
Edibles	Blueberry - Tifblue	*Vaccinium ashei 'Tifblue'*	Full Sun	6-10 ft tall & wide			x						Small-medium Berries are tart if not fully ripe. Known for its large, light blue fruit and strong heat and cold tolerance. Self-fertile.
Edibles	Blueberry - Jewel	*Vaccinium corymbosum 'Jewel'*	Full sun	4-6 ft Tall 3-5 ft wide									Early-mid season variety is perfect for warmer areas, needing only 200 chill hours. Provides high yields of large, tangy fruit. The bushy upright habit is a wonderful addition to the landscape in shrub borders, or even as a hedge. Displays a wonderful mix of fall colors. Deciduous
Edibles	Blueberry - Climax	*Vaccinium corymbosum 'Climax'*	Full Sun to Part Shade	5-6 ft wide 6-10 ft wide	White	x	x	x					Heat tolerant variety will produce fruits that will typically ripen earlier and more rapidly than other cultivars or varieties. Small to medium fruit
Fern	Autumn Fern	*Dryopteris erythrosora*	Partial to full shade	18-24 in tall 18-30 in wide					X				New fronds emerge in coppery-orange or red tones, mature to glossy green in summer, and pick up bronze or russet hues later in the year. Clumping habit
Grass	Carex-Evergold Sedge	*Carex oshimensis*	Partial Shade	10-16 in tall 12-20 in wide					X				Compact evergreen sedge with arching green-and-gold foliage for shade, edging, or containers. Plant in rich, moist, well drained soil.
Grass	Muhly Lindheimer	*Muhlenbergia lindheimer*	Full Sun	3-5 ft tall & wide									Narrow arching blue green leaves. Flower panicles open with airy silver to purple plumes. **Texas Superstar Plant**
Grass	Gulf Coast Muhly Pink Muhly	*Muhlenbergia capillaris*	Part shade Full sun	1 ½-3 ft tall 2 ft apart	Deep pink		X	X	X			X	Seasonal poor drainage OK. Feathery deep pink blooms in fall. Beautiful when backlit by morning or evening sun.
Grass	Fountain Grass Little Bunny	*Pennisetum alopecuroide "Little Bunny"*	Full Sun	12-18 in tall 18-24 in wide					X				Compact fountain grass forming neat mounds with cream colored, soft bottlebrush flowering plumes from late summer into fall.
Grass	Little Bluestem	*Shizachyrium scoparium*	Full Sun	2-3 ft tall 18-24 in wide									Native bunchgrass with blue-green stems, silvery seedheads, and striking copper-orange fall color. Highly drought tolerant, once established
Perennial	Biltmore Ball Gown	*Abutilon BBG*	Sun Part Shade	2-4 tall 1-2 Wide	Yellow/ Orange	X		X		X	X		2" wide dangling Chinese lantern-like flowers are a soft yellow-orange with a contrasting deep red veining. Flowering Maple is a hardy and reliable upright growing, naturally evergreen shrubby tropical. Container plant that can be overwintered indoors near a sunny window. Plant in a fertile, average moist soil. Caterpillar: Laviana White Skipper & Tropical Checkered Skipper
Perennial	Yarrow Lavender	*Achilla*	Sun	2 ft. tall	Lavender	X		X	X				Sun-loving, drought-tolerant perennial with ferny foliage and flat flower clusters attractive to pollinators.

Angelina County Master Gardeners

Fall Plant Sale

September 26, 2026

Perennial	*Agapanthus* *Lily of the Nile*	*Agapanthaceae*	Full sun	18-24" tall	White								Form fountain like clumps of strap like leaves. Send up bare stems ending in spherical cluster of funnel shaped flowers. Little moisture after established. Pollinator friendly
Perennial	Caitin's Giant Ajuga	*Ajuga sp*											Low, spreading evergreen groundcover with bold foliage and short blue flower spikes in spring.
Perennial	Cast Iron Plant Spotted	*Aspidistra e. Ghinga*	Shade	2 ft.					X				Tough as nails plant. Use as accent in shady areas. Foliage has tiny white/yellow dots. Great with ferns. Feed in spring, trim off damaged leaves. Easy care. Plant in average soil. Houseplant for dim light. Leaves useful in flower arrangements.
Perennial	Cast Iron Plant	*Aspidistra Elatior*	Full shade	2-3 ft tall 1-2 ft wide									Tough, slow growing evergreen perennial. May be used outdoors in full shade areas or indoors as a houseplant. Plant in rich well draining soil.
Perennial	Bidens Pink	*Bidens Pink*	Sun/ Part Sun	14 in tall	Pink/ yellow	X		X	X			X	Daisy like blooms , spring to fall. Ferny green leaves with mounded form. Drought tolerant once established Mulch to protect from frost
Perennial	Bidens Pirate's Pearl	*Bidens PP*	Full sun	14 in. tall Space 10 in.	White/ Yellow	X		X	X			X	Daisy like blooms spring to ball. Ferny green leaves with a mounded form. Drought tolerant once established. Attracts butterflies. Mulch to protect from frost.
Perennial	Beautyberry	*Callicarpa americana*	Full sun Partial shade	3-6 ft tall 8 ft wide	pink or white	X	X	X				X	Deciduous shrub with vibrant violet purple or magenta berries. Vital food source for birds and wildlife. Plant in moist, well drained soil, rich in organic matter.
Perennial	Coreopsis - Sunkiss	*Coreopsis grandiflora 'Sunkiss'*	Full sun	12-14 in tall 14-16 in wide	Yellow	X		X	X				Compact, heavy-blooming perennial tickseed featuring large golden-yellow daisy-like flowers with bold burgundy-red centers.
Perennial	Cuphea Vermillionaire Large Fire cracker plant	*Cuphea* *Vedrmillionaire*	Sun	1-3 ft. tall 1-2 ft. wide	Yellow/ Orange	X	X		X	X			Compact, well branched and blooms all season with tubular shaped blooms that hummingbirds adore. Tolerates heat and prefers full sun.
Perennial	Coneflower Purple	*Echinacea purpurea*	Sun Part Shade	2-4 ft tall	Purple	X	X	X			X	X	Butterfly magnet. Daisy like blooms in early summer. Plant in well-drained soil. Tolerates heat and drought and will reseed for plants to share or transplant. Leave some seedheads for birds
Perennial	Coneflower - Magnus	*Echinecea mangus*	Sun	2-4 ft tall	Pinkish purple	X	X	X	X	X		X	Intense pinkish-purple, daisy-like flowers with prominent central cones, which are highly attractive to pollinators. It is a hardy, low-maintenance perennial blooms from early to late summer, thriving in full sun with well-drained soil.
Perennial	Joe-Pye Weed	*Eupatorium fistulosa*	Sun	3-9 ft tall	Dusty Rose			X					Joe Pye weed is a tall perennial blooming with big, fluffy, light, rosy-purple flower heads in mid-late summer. Extremely attractive to nectaring butterflies.
Perennial	Blue Mistflower Wild Ageratum	*Eupatorium coelestrum* ***renamed:*** *Conoclinium coelestinum*	Full sun Part Shade	2-3 ft tall	Blue	X		X	X	X		X	Feathery, periwinkle blue blossoms in early fall that butterflies cannot resist. Plant in moist, well-drained soil. Spreads easily and extra plants can be shared. Late season nectar source. Host to 13 moth species
Perennial	Dwarf Blue Daze	*Evolvulus Dwarf*	Sun	12 in tall 8-16 wide	Blue	X					X		True blue flowers and fuzzy, silvery-green foliage and extremely heat tolerant. Vibrant blue trailing annual plant. Plant in moist well draining soil.
Perennial	Farfugium - Gigantea	*Farfugium sp.*	Shade Part shade	1-3 ft tall	Yellow								Clumping perennial with large, glossy, kidney-shaped leaves. Produces bright yellow, daisy-like flowers in late summer or autumn and typically grows 1 to 3 feet tall.
Perennial	Swamp Sunflower	*Helianthus*	Sun	5-8 ft tall 2-4 ft wide	Yellow	X	X	X	X	X		X	Tall, native perennial. It grows 6 to 8 feet high and produces bright golden-yellow, daisy-like flowers with dark centers from late summer through fall.
Perennial	Daylily Black-eyed Stella	*Hemerocallis Black-eyed Stella*	Sun Partial shade	3-4 ft. tall 2-3 ft. wide	Apricot- yellow								Re-blooming daylily with apricot-yellow flowers and bold, dramatic, dark-red centers. Has arching sword-like leaves. Likes well draining soil.
Perennial	Day Lily 'Rosy Returns'	*Hemerocallis 'Rosy Returns'*	Sun Partial shade	12-14 in. tall	Pink								Dwarf, everblooming daylily with rose-pink flowers with a deeper rose eye zone and a yellow throat (to 4" wide) appear in clusters on stems that rise slightly above the foliage. Tolerate of most soils.

Angelina County Master Gardeners

Fall Plant Sale

September 26, 2026

Perennial	Daylily -Stella De Oro	*Hemerocallis Stella de Oro*	Full Sun	11-24 in tall 12-24 in wide	Yellow								Compact reblooming daylily with abundant golden yellow flowers. Plant in medium moisture, well draining soil. Divide clumps every 3-4 years.
Perennial	Lantana New gold	*Lantana camara 'New Gold'*	Sun	2 ft tall 4 ft wide	Bright yellow								Blooms from spring to fall with golden yellow clusters. Attracts butterflies, bees and hummingbirds. Prune to ground in spring and fertilize. Good for borders, ground covers, containers,& hanging baskets.
Perennial	Lantana Texas	*Lantana horrida*	Full Sun	3 ft tall & wide	Yellow orange	X		X	X			X	Native to southern Texas. Prickly coarse shrub. Broad oval leaves to 3 in long, have pointed tips and coarsely toothed edges. Spreads by shoots. Very good ground cover in dry sites with full sun.
Perennial	Lantana Confetti	*Lantana x Moni*	Full Sun	3 ft tall & wide	Yellow age to orange	X		X	X			X	Native to southern Texas. Prickly coarse shrub. Broad oval leaves to 3 in long, have pointed tips and coarsely toothed edges. Spreads by shoots. Very good ground cover in dry sites with full sun.
Perennial	Gayfeather, Prairie	*Liatris pycnostachia*	Sun	2-5 ft tall space 18 "	Purple	X	X	X	X	X	X	X	Purple blooms July to early fall on stiff stem. Butterfly magnet. Lovely cut flower and retains color when dried. Gives vertical interest to garden. Host plant to several moth species.
Perennial	Cardinal Flower	*Lobelia cardinalis*	Light shade, sun	6 in-4 ft tall space 1 ft	Red	X		X	X	X	X	X	Native to moist woods in East Texas. Needs moist soils. Forms rosette in winter, slower stalk grows in spring. Blooms late summer until frost. Blooms in time for hummingbird migration. Host plant to several butterflies and moths
Perennial	Turk's Cap White Lighting	*Malvaviscus d.*	Mostly sunny to part shade	2'-4' tall	White	X	X	X	X	X	X	X	White Lightening is a Gregg Grant introduction. More vigorous growth and a lot of pure white blossoms, dark green foliage. Blooms from late May to November. Caterpillar host: Glassy Winged Skipper
Perennial	Turk's Cap Red	*Malvaviscus drummondii*	Sun to Part Sun	3-4 ft tall	Red		X	X	X	X	X	X	Native from Florida to West Texas. Spindly, shrubby perennial with semi woody stems. Blooms from early summer through fall. Dies back in the winter, cut back to base in spring. Bright red flowers twist upward resembling turbans. May be considered annual in colder climates
Perennial	Turks Cap Pam's Pink	*Malvaviscus x Pink Puryear*	Sun to Part Sun	4-6 ft tall	Coral pink turban	X		X	X		X	X	Flowering from late spring to frost. May freeze back in the winter, cut back to base in spring. Can prune to shape.
Perennial	Monarda Pink Supreme	*Monarda Psup*	Part Sun	10-12 in tall 8-10 in wide	Pink	X		X	X		X	X	A nativar, meaning it is a cultivar from a native plant. Blooms late spring. Likes wet areas. Does not like dry soil. Native bees love it!
Perennial	Gulf Coast Penstemon	*Penstemon tenuis*	Sun Part shade	18in tall space 12 in	Pink-Purple	X		X			X	X	Purple blossoms look like little bells. Likes moist flower beds and does best with a little shade. Blooms spring to mid-summer. Cut back after blooming for repeat blooms.
Perennial	Foxglove beardtongue	*Penstemon digitalis*	Sun	2-5 ft tall	White	X		X	X		X	X	Hardy clump forming perennial with tall spikes of white bell-shaped flowers. Plant in medium dry loamy soil
Perennial	Plumbago	*Plumbago auriculata*	Sun	3'	Blue	X		X			X		An oldy but a goodie! We can't say no to one more beautiful blue flower. Traditional summery shrubs with big flower clusters that appear throughout the heat of the summer and attract butterflies.
Perennial	Black-eye Susan Goldsturm	*Rudbeckia fulgida var.sullivantii 'Goldsturm*	Sun	18-24 in tall	Yellow	X		X				X	The plant has bold dark green foliage, and the flower has rich yellow petal rays with a dark brown center disk. Has clumping habit with erect stems. It is a nonstop show of flowers from mid-summer until the first frosts of fall. Dead head to encourage new blooms.
Perennial	Black-eyed Susan Denver daisy	*Rudbeckia hirtia*	Sun	2-4 ft Tall 1-*2 ft wide	Yellow/ Brown	X	X	X	X	X		X	A perennial that will reseed in your pollinator garden. Blooms in late summer. Attracts pollinators, seed heads feed birds, and it is host to Wavy Lined Emerald and Silvery Checkerspot butterflies.
Perennial	Coneflower Bog Coneflower Giant	*Rudbeckia maxima*	Sun	60in. Tall	Yellow	X	X	X	X	X		X	Tall native perennial with blue-green foliage, prominent cones, and yellow flowers; tolerates moist soils.
Perennial	Salvia Skyrocket Orange B Be DR H	*Salvia*	Sun Part Sun	14-28 in. tall	Orange	X		X	X		X		Upright, sturdy plant that sports spikes of two lipped coral flowers. Bloom late spring to fall and tolerates heat and drought. Use in beds, borders and containers. Attract bees, butterflies, and hummingbirds.

Fall Plant Sale

September 26, 2026

Perennial	Salvia, Lady in Red	*Salvia coccinea*	Sun	2-3 ft. tall	Red	X	X	X			X		Upright perennial with spikes of red tubular shaped blooms. Blooms spring till frost. Provides nectar for pollinators. Reseeds readily and easy to grow. Plant in well drained fertile soil. Humming birds love it!
Perennial	Salvia, Rasberry Royal	*Salvia greggii*	Sun	36 in. tall	Raspberry	X		X	X		X		Dense durable bush, with narrow green foliage, topped with raspberry colored flowers. Blooms heavy in spring, sporadically during the summer, then again for another show in the fall. Drought tolerant but also tolerate wet spells if provided with adequate drainage. Prune frequently to maintain shape and blooms.
Perennial	Salvia Greggii Red Red Autumn Sage Cherry Sage	*Salvia greggii red*	Sun Part Sun	2 - 3ft. tall 18" wide	Red	X		X			X	X	Blooming in late spring and again in fall, has bright red flowers that attract hummingbirds from miles around. Has sweetly aromatic foliage. Drought resistant plant. Cannot take clay soils.
Perennial	Salvia - Black and Blue	*Salvia guaranitica Black and Blue*	Sun Part Shade	2-5 ft tall 2-4 ft wide	Blue	X		X	X		X		Vigorous anise-scented sage with cobalt-blue flowers and nearly black calyces; prized by hummingbirds. Blooms Summer through Fall.
Perennial	Salvia Mexican Bush	*Salvia leucantha*	Sun	2-3 ft tall	Purple	X		X	X		X		Mexican bush salvia; large growing with beautiful foliage. Blooms in late summer.
Perennial	Rosemary Creeping	*Salvia Rosmarinus* *Rosmarinus officinalis*	Full Sun	6-8 in tall 4-5 ft wide	Blue	X		X			X		A fragrant evergreen shrub with needle like leaves and blue, purple, or white flowers. Low growing, excellent for slopes or retaining walls. Edible and used for aromatherapy.
Perennial	Rosemary Tuscan Blue	*Salvia Rosmarinus* *Rosmarinus officinalis 'Tuscan Blue'*	Sun	6 ft tall 2-*4 ft wide	Blue								Can form an upright hedge of aromatic, needle-like evergreen foliage. Profuse clear blue flowers. Leaves can be used as a flavorful herb in cooking. Takes to pruning well, but is equally wonderful when left in natural rustic form. Thrives in loose, well-drained, neutral to slightly acidic soils. Water deeply, regularly during first growing season to establish root system;
Perennial	Salvia Heatwave Blaze	*Salvia, microphylla X Greggii*	Sun	2-3 ft tall	Red	X		X	X		X		Keeps leaves in mild winters. Maintains a dense, compact shape. Red blooms from spring until frost. Needs good drainage. Drought tolerant when established.
Perennial	Blue Eyed Grass	*Sisyrinchium*	Part Shade	6 in. tall	Blue	X		X	X			X	Grass like leaves and tiny flowers in spring, dormant in summer, rosette in winter. Use under fringe tree, redbud or dogwood. Pretty with spring bulbs and irises or between stepping stones.
Perennial	Stokesia Mary Gregory	*Stokesia I. MG*	Sun Part Shade	10-12 in tall 12-16in wide	Creamy Yellow	X		X	X		X	X	Like a 3-4 inch daisy with frills. Blooms late spring. Moist, well drained soil. Does not tolerate wet soil in winter. Keep watered in hot summers. Ground covering attractive plant. Lovely cut flowers. Butterfly magnet.
Perennial	Purty Purple Stokesia	*Stokesia laevigata PP*	Sun	10-12 in. tall 12-16 in. wide	Purple	X		X	X		X	X	Semi-evergreen perennial, with stiff, erect, much branched stems. Medium green leaves 2-8 in long. Blooms late spring. Dead head to encourage blooms. Blooms May to September. Moist, well drained soil, Tolerates heat but not drought. Butterflies love it!
Perennial	Copper Canyon Daisy Lemmon's Marigold Mountain Marigold	*Tagetes Lemonii*	Full sun Partial shade	3-6 ft tall 4-8 ft wide	Yellow	X		X	X				Finely divided green leaves that release a strong distinct aroma when crushed. Has bright gold to yellow daisy like flowers. Excellent for dry gardens and native plant habitats.
Perennial	Toad Lily	*Tricitris* *formosiana*	Shade	1-3 ft tall 1-2 ft wide	Varies	X		X	X				Fall blooms that look like little orchids on long arching stems. Good companion for ferns. Plant where you can enjoy fall blooms. Drought tolerant.
Perennial	Verbena Colonial White	*Verbena CW*	Sun	8-12 in tall 15-18 in wide	White			X			X		Spreading, long-blooming perennial verbena with clusters of flowers for butterflies; likes sun and good drainage.
Perennial	Verbena, Passalong Pink	*Verbena PP*	Sun	8-12 in tall 15-18 in tall	Pink			X			X		Blooms spring until fall. May slow in summer heat. Needs well-drained soil. Use in flower beds, containers, and hanging baskets.
Perennial	Frostweed	*Verbesina Virginica*	Part shade to Shade	4-5 ft. tall	White	X		X	X				This plant lends stately, dark green leaves and white, autumn flowers. Each stem has soft, fleshy green flanges running longitudinally down its length. When winter weather brings freezing temps, the stems exude water that freezes into fascinating shapes, hence its common name Frostweed. This plant is best suited for naturalizing rather than formal landscapes. Does well in clay, loam, sandy soils.
Rosa	Peggy Martin Rose	*Rosa Peggy Martin*	Sun	15 ft. tall	Pink								Named after Peggy Martin from New Orleans. This rose survived Hurricane Katrina. Needs a trellis or fence to climb on. Blooms spring thru fall.

Angelina County Master Gardeners

Fall Plant Sale

September 26, 2026

Rose	Rose Drift Peach	*Rosa Drift Peach Meiggili'*	Sun	1 1/2tall 2 ft. wide	Peach								One of the most floriferous dwarf shrubs available. Soft peach blooms cover the plant from mid-spring to the first hard freeze of late fall. Pairs well with existing perennials in any landscape and exhibits strong disease resistance.
Rose	Rose - Drift Lemon	*Rosa Rubiginosa*	Sun	1 1/2tall 2 ft. wide	Pale Yellow								Compact, low growing roses that are a hybrid between full size ground cover roses and miniature roses.
Rose	Rose Lady Banks	*Rose Banksia Yellow*	Sun	6-20 ft. tall	Yellow								Vigorous, clean, densely growing with very graceful, pliable arching canes. Reaching out, they just sway and float upon a light breeze. Yellow Lady Banks is thornless Just pure soft canes.
Shrub	Mock Orange Natchez	*Philadelphus x virginalis 'Natchez'*	Full Sun	6-8 ft tall & wide	White								This fountain-shaped shrub noted for its ornamental, large, white flowers, which have a fragrance much like the scent of orange . Branches are covered with lush green foliage for an attractive effect even when not in flower. Prefers enriched, slightly acidic, well-drained soil. Water deeply and regularly during the first growing season to establish an extensive root system; reduce frequency once established.
Shrub	Japanese Laurel Gold Dust	*Abcuba Japonica*	Full shade Partial shade	5-10 ft tall 4-6 ft wide									Tough broadleaf evergreen shrub. Has glossy gold speckled leaves that brighten dark garden spaces. Plant in well draining soil rich in organic matter. Little pruning just to shape.
Shrub	Abelia Golden	*Abelia Golden*	Full Sun to Part Shade	2-3 ft tall 3-4 ft wide	White			X			X		Bloom time May to September. Easily grown in average, medium, well-drained soil in full sun to part shade. Best flowering is in full sun. Prefers moist, organically rich soils which drain well. Evergreen in the South,
Shrub	ABELIA-VARIEGATED GOLDEN	*Abelia × grandiflora GOLDEN ANNIVERSARY*	Full Sun to Part Shade	1-3 ft tall 1-3 ft wide	White								Golden is an abelia hybrid with attractive bright green leaves variegated with creamy yellow to golden yellow margins. Flowers are mildly fragrant.
Shrub	False Indigo	*Amphora fruiticosa*	Full Sun	4-12 ft tall	Purple	X	X	X	X	X		X	Large deciduous multi stemmed native shrub. Features airy, fine textured foliage and spike like clusters of purple flowers. Larval Host of butterflies and pollinators.
Shrub	Azalea, Purple Formosa	*Azalea indica Formosa*	Filtered Shade Morning sun	Up to 8 ft, tall	Lavender								Evergreen Azalea. Blooms early spring. Plant in moist, acidic soil, raised up, rich in organic matter with good drainage. Keep shallow roots cool with thin layer of mulch. Needs regular watering. Feed with acidic fertilizer after bloom.
Shrub	Butterfly Bush -Black Knight	*Buddleia davidii 'Black Knight'*	Sun/ Partial Sun	4-6 ft tall 6-8 ft wide	Dark Purple	X		X			X		Spectacular color from lightly fragrant, dark violet-purple flower spikes. A fast growing shrub that works well as a foundation shrub, an accent plant or as a background in borders. May die to ground in cold winter areas, emerging vigorously in spring. Deciduous.
Shrub	CAMELLIA-SHI SHI-SAS	*Camelia sasanqua Shi Shi*	Light Shade	4-5 ft. tall 6 ft. wide	Pink								Camellia sasanqua 'Shi-Shi' is a low-growing, evergreen shrub with pink flowers and dark green leaves. It's a popular choice for gardens and can be used in many ways, including hedges, borders, and groundcover. Prefers consistently moist, acidic, organically rich, well-drained soils.
Shrub	Silverberry or Thorny Olive	*Elaeagnus*											Fronds: Deep green, leathery, and finely divided; some species are evergreen while others are deciduous.
Shrub	Strawberry Bush	*Euonymus americanus*	Part Shade	6-12 ft Tall	Green							X	Airy deciduous shrub with ridged twigs that become purplish when exposed to the sun. Pale green flowers with purple stamens. Bright green oval leaves become dark red in the fall. Bright red fruit.
Shrub	Gardenia Kleim's Hardy	*Gardenia j.*	Morning sun Afternoon shade	2-3 ft. tall & wide	White	X		X					Dwarf gardenia. Use in raised beds, containers and front of border. Evergreen, five petaled fragrant white blooms late spring. Needs regular watering, especially during heat of summer.
Shrub	Gardenia Frostproof DR	*Gardenia jasminoides 'Frostproof'*	Full to Part Sun	4 ft tall 5 ft wide	White				X				Flowering evergreen plant with dark green foliage and large, fragrant, white flowers that measure two to three inches wide. A more upright habit and more tolerant of direct sun exposure than other gardenias, with flower buds that resist late spring frosts without damage. Good for foundation plantings. Thrives in organically rich, slightly acidic, well-drained soil.
Shrub	GARDENIA-DWF. RADICAN	*Gardenia jasminoides 'Radicans'*	Partial Shade	1-2 ft tall 3-4 ft wide	White								The Gardenia Radicans is a beautiful, low-growing form of the common gardenia, with the same wonderful perfume from star-shaped white blossoms. Slightly more hardy and easier to grow than other gardenias. Grow in moist soil.
